They are all Florida-breds: Louis Wolfson's Roving Minstrel and F. A. Sherman's Bronzerullah, both bred by Ocala Stud Farm, and Mrs. Jack Price's Carry Back, also foaled and raised on the same farm in the heart of the Green Grass Country of the peninsula state.

## Everlasting Punishment Sermon Topic

Comforting assurance of the final destruction of all sin will be given in the Lesson-Sermon entitled "Everlasting Punishment" to be presented Sunday at all Christian Science church services.  
God's mercy will be emphasized in the Scriptural selections for the Psalms (130:7, 8), "Let Israel hope in the Lord: for with the Lord there is mercy, and with him is plenteous redemption. And he shall redeem Israel from all iniquities." "For thou, Lord, art good, and ready to forgive; and plenteous in mercy unto all them that call upon thee" (Ps. 86:5).

"DOES NOT God's pardon, destroying any one sin, prophesy and involve the final destruction of all sin?" writes Mary Baker Eddy in "Science and Health with Key to the Scriptures." Again she counsels, "The purpose and motive to live aright can be gained now. This point won, you have started as you should. You have begun at the numeration-table of Christian Science, and nothing but wrong intention can hinder your advancement. Working and praying with true motives, your Father will open the way."  
The Golden Text is also from Psalms (9:16), "The Lord is known by the judgment which he executeth: the wicked is snared in the work of his own hands."

**Hanna Returned to Knicks by Lakers**  
Jim Hanna, former USC star, who impressed Laker Coach Fred Schaus with his desire and hustle, is still a member of the New York Knickerbockers. Jim came within an ace of making the Laker NBA roster, but had he made it, the local team would have been forced to acquire the rights to his services from New York.  
Hanna will continue to work out and keep in shape, feeling confident that with another year of intensive application to basketball he can make the grade in the NBA.
